A Call for Help

This month , October, 2020, SAV-A-CHILD is seven months into our 27th year. We give God all the credit for our success and our “staying” power. Of course God uses people, like you, to supply the prayer and the financial support.

I am sincerely reaching out to you our “Partners” for extra prayer and financial support. If you are doing both, keep it up! Those two things keep every missionary effort going—intercessory prayer and financial support. If you've not prayed for us lately or given lately, we need you to do both. Lift us up in prayer and give whatever God directs you to give. If you cannot give, please pray that God will provide through others who can.

Asking for Money

It is very rare that I bring up the subject of money, but the Bible says, “you have not because you ask not.” The virus has hurt almost every charitable organization and SAV-A-CHILD has definitely been adversely affected.

Cutting to the Bone

In February we had to let our Assistant Director and Office Manager, Doug Berenguer go because of lack of finances. I went totally off salary and Tom Knight, our IT guy, took a reduction in salary. The ministry has been paying my housing and Medicare costs, but

we've cut everything to the bone in order to make it through the pandemic!

In simple terms, we are being as frugal as we can and still keep the ministry open.

When you give next time, please give us your e-mail address so we can communicate electronically!

The Election – November 3, 2020

Let me preface the following with this fact-- Every reason I give below is NOT political but these issues involve moral and spiritual values. I encourage you to vote the issues not the man. Two of the four policy issues involve the safety and protection of children. You could take away the name of the president and the issues remain, but Donald Trump happens to be heading the party on the right side of the issues.

I agree with President Trump and many others in stating a fact—this election is the most important of any in my lifetime.

I believe Donald John Trump is God's man for this time in our nation's history. He's not our savior and he's not perfect, but he is God's man for the hour. God uses men and women to accomplish His will. King David, the favorite king of Israel, was far from perfect [and many others we could discuss] but God used him because he had a heart for God.

I know I may offend some democrats by this

article, but real Christians have only one way to vote, and that's for the party whose policies are just and righteous.

For one thing, President Trump is the most pro-life president ever! Abortion or child sacrifice is a curse on this nation and through the appointment of supreme court justices we will soon have this curse lifted as Roe v. Wade is overturned. Child sacrifice has always been on God's "bad" list. His chosen people came under severe judgment because of sacrificing their children to the god of molech. Abortion is simply a "sanitized" version of child sacrifice. The blood of the innocent babies is crying out for federally legalize abortion to be reversed!

Second, our president is a good friend of Israel and moved the US embassy to Jerusalem. God blesses whoever blesses Israel and our nation is under that blessing now! In Genesis 12, God speaks to Abraham, the father of the Jewish people. Verse 3 states ***"And I will bless those who bless you. And the one who curses you I will curse. And in you all the families of the earth shall be blessed."***

Third, our president is draining the swamp or to put it another way, he is rooting out corruption in the deep state and other parts of the government.

Proverbs 28:16, in the Message speaks to the issue of leadership and corruption: ***"Among leaders who lack insight, abuse abounds, but for one who hates corruption the future is bright."***

Finally, through executive orders President Trump has done more to stop human and child sex trafficking; than any other president.

Pray and Vote

It is estimated that 30 million Christians did not vote in the 2018 election. There is no excuse for political apathy in the body of Christ! Pray for God's will to be done in all our elections-local, state and national. Then, after we have prayed, we need to vote. I'm aware that there will be mud slinging on both sides. I am not saying that Republicans are better than democrats, but the democrat party has been taken over by the extreme left and their policies regarding abortion and other moral issues are an abomination to God.

God bless America! I pray for our nation to be a nation of truth, justice and righteousness!
